### *Timpte of Aurora Expands to Full Service*

David City, NE – Timpte, the industry leader in manufacturing dry bulk commodity trailers, is proud to announce the opening of a new, parts and service center in Aurora, Nebraska. Timpte has sold trailers and parts from the Aurora location for the past few years.

This facility is conveniently located at the junction of Interstate 80 & Highway 14. Construction was started in July of 2011 and recently completed.

The new 6,600 sq. ft. building has a four bay drive through service shop, parts sales counter, and fully stocked parts warehouse. The new Aurora facility will support our interstate customers as well as customers from Nebraska, Northern Kansas, and Colorado. We specialize in grain trailers, but service most semi-trailer makes and models.

Timpte stocks the most popular new models of grain trailers as well as a variety of pre-owned grain trailers.
