# Standard Features

## Roughneck

Sometimes the secret to boosting performance and productivity lies in the trailer you pull. From the longest-running trailer manufacturer in the United States, Timpfe is proud to introduce the Roughneck Hopper Bottom trailer. This all-new trailer features a single-hopper design for achieving superior empty weight for maximizing payload, but also increases your bottom line by reducing loading and unloading times at the site and transload facility.

**Timpfe offers a 1 year “Peace of Mind No Hassle Warranty” on all severe duty trailers.**

*See Timpfe Warranty Card for details.*

## Soft/Hard Top Options

Thunder Power Tarp 7000 utilizes One-Touch™ Technology, which allows the operator to open and close the tarp system with one push of a button. Remote Included.

Hydraulic Top Hatch comes standard and gives you an easy reliable loading option. With one push of a button hatch will open and close. Remote included.
