Thunderstone now offers a one piece 18 oz. & 22 oz., 117" wide, manufactured tarp that has no welded seams in black only. These tarps are standard on all 96" wide Timpette trailers.

## *One Piece Tarp Features & Benefits:*

- Improved durability
- Seamless design
- Improved cosmetics - smoother appearance
- Faster open and close time

# **THUNDERARMOR** CLEAN COAT

## *Tired of product sticking to your tarp?*

ThunderArmor Clean Coat is a revolutionary tarp design that is finished with an acrylic glaze coating. The acrylic glaze coating reduces commodity buildup underneath the tarp and helps reduce cross-contamination between loads. If you are required to washout between loads this tarp makes it faster and easier to clean compared to standard tarp material.

### *Recommended Applications*
